**[Richmond, IN] Coming to Civic Hall Performing Arts Center on Saturday, March 11, 2017 at 7:30pm**

The letter sweaters may only make a brief appearance at each performance, but **The Lettermen** harmony is non-stop. From their first hit in 1961 "The Way You Look Tonight" through current hits of today, the sound is undeniably Lettermen. 18 Gold Albums worldwide and scores of top singles attest to a popularity that has endured through several generations. The current Lettermen consist of Tony Butala (The group's founding original member), Donovan Tea (an accomplished singer and songwriter who joined the group in 1984), and Bobby Poynton (who first joined **The Lettermen** in 1989 and recently returned to the group). Whether singing a capella or backed by an entire symphony orchestra, the Lettermen theme still remains the love song. Lending that well-known harmony to every arrangement, they have proven love ballads have an appeal that knows no boundaries and will continue to stand the test of time for many years to come...

Good seats are available for the performance at 7:30pm; \$29 for adults, \$21 for students, with group rates available.
