Raised in the Pacific Northwest, Derik Nelson & Family's signature sound features velvety three-part vocal harmonies only a family can deliver. They've garnered nearly 3 million views on YouTube, and toured over 40 locations across the West Coast to raise money for music education. Derik has appeared regularly as the lead guitarist on television's "Glee," among other shows.

Derik Nelson & Family delivers a concert experience like no other, featuring pristine sound, a state of the art light show, and an integrated 20-foot video display. Derik's interactive "clones" are featured throughout the show on the 5 screen video "wall." The multiple "Derik clones" paint an expansive wall of sound of limitless sonic possibilities by each playing many different instruments. This innovative technical marvel uses the latest in audio/video technology to take audiences on an aural and visual journey through time, space, an impressive array of landscapes, weather conditions, and musical "settings." Don't miss Derik Nelson & Family!

Good seats are available for the performance at 7:30pm; \$35 for adults, \$27 for students, with group rates available.
