David Epley believes Science and Magic are the same thing. Therefore, Santa Claus must be the greatest scientist alive! This realization does not sit well with the towering ego of science comedian, Doktor Kaboom. Join us as Dr. Kaboom struggles valiantly to solve the magical mysteries of the man in red. In this new holiday show, Doktor K attempts to learn the secrets behind making reindeer fly, getting down those tight chimneys, and knowing who's been bad or good. Will he succeed?
