David Epley has been fortunate enough to discover two passions in his life. Science, his first, took him to studies at North Carolina School of Science and Mathematics. His second, performing, became his career, and for 20 years David has made his living writing, performing, and directing original interactive comedy across the U.S. and Canada.

David believes Science and Magic are the same thing. Therefore, Santa Claus must be the greatest scientist alive! This realization does not sit well with the towering ego of science comedian, Doktor Kaboom. Join us as Dr. Kaboom struggles valiantly to solve the magical mysteries of the man in red. In this new holiday show, Doktor K attempts to learn the secrets behind making reindeer fly, getting down those tight chimneys, and knowing who's been bad or good. Will he succeed? We're not sure, but we are sure going to have fun watching.

Good seats are available for the performance at 7:00pm; \$40 for adults, \$32 for students, with group rates available. Call the Civic Hall Box Office for tickets: 765-973-3350, or visit [www.civichall.com](http://www.civichall.com). Box Office hours are Mon-Fri, 8:30am - noon and 1:00pm-4:00pm. Visa, MasterCard and Discover credit cards are happily accepted. There is a \$1.00 fee for mailing ticket orders and a \$5.00 fee for credit card processing.
